Balance Due: _____

Make your check to Haywood County TDA for at least half the amount of total cost.

Please allow at least 3 months for the painting of your block. More, if it is complex.

NOTE: Only 2', 32" and 4' blocks can be hung on point. 64" and 8' blocks are quartets.

A check for at least half must accompany the application. Blocks are not released until completely paid for. Make your check to Haywood County TDA.

Price does NOT include installation. We can provide you with names and phone numbers of people who know how to install the blocks in Mitchell and Yancey counties. We will also supply you with written directions.

If out of the area you must pick up or pay for delivery.

Tax does not apply if you live outside NC.

Don't know the design you want? No problem. Figure your price on the "less than 50 sections" amount. If the design you end up with is more than 50 sections, we will notify you and adjust your total accordingly. We can help you find just the right block to tell your story, or if we can't find one, we can design one for you if you so desire. Use "The Encyclopedia of Pieced Quilt Patterns" by Barbara Brackman to search for a block...available at the Haywood County TDA Office (110 Soco Road Maggie Valley, NC) or you can order it from Amazon.com.

**What is a section? Every part of the block that is separate from other areas is referred to as a section. More complex designs, designs with curves or designs that are being painted to match a family quilt take longer to tape and paint and thus cost more. Blocks with curves cannot be taped, but must be freeband painted.*

In making this request, you agree to accept the following conditions and requirements:

- I/We will work with Haywood County Quilt Trails regarding design and colors of the proposed quilt square.
- The block cannot be my company logo, nor can the installed block be used as my company logo.
- There must be at least 2' of blank space around the 4', 64" or 8' blocks, and 1' around smaller blocks.
- The site must be accessible by the bucket truck for installation and not encumbered with power lines.
- The quilt square must remain on the building for at least five years.
- Once the block design and colors have been approved, no changes may be made to the block and I will not move or alter the quilt block in any way without first contacting the Haywood County TDA. I understand that if I move to a new location the quilt block will remain at the site where it was originally installed. A new location requires a new quilt block. I cannot take the quilt block with UNLESS it is painted to match a family quilt.
- I will allow my barn/building to be photographed by the public and photos to be used by Haywood County TDA and the Quilt Trails of Western North Carolina in advertising for the quilt trails. I will allow my name and/or business name to be used in advertising and promotional materials.
- I agree to indemnify and hold harmless the Haywood County TDA, its Quilt Trails project, and the Quilt Trails of Western North Carolina Corporation, as well as their officers, committees, agents and employees for and against any and all claims, liabilities, losses and causes of action related to the quilt block.
